Shri S. L. Bajaj, Advocate for the petitioner.

Shri Akhil Agarwal, Panel lawyer for the Respondent No.3.

Learned counsel for the petitioner submits that the petitioner appeared in the Higher Secondary School Certificate Examination (10+2), 2001 conducted by the Respondents No. 1 and 2, and the petitioner applied for revaluation of the answer sheet of subject - 'Physics' –theory paper. The Respondent No.2 vide his letter dated 25.7.2001 informed the petitioner that on verification no change has been found. The petitioner challenges the letter dated 25.7.2001 issued by the Respondent No.2 and further prayed for appointment of an independent examiner for revaluation. The concerned examination had taken place in the year 2001. Once revaluation has been done, this Court has no jurisdiction to interfere with the expert opinion as the evaluation is a job of experts on education.

In view of the above, there is no merit in this case. The petition is dismissed.
